**All proceeds from Cruise for Cancer support
Marshfield Clinic Health System Foundation's
Northwoods Cancer Care Fund.**

The Northwoods Cancer Care Fund provides financial, emotional and educational support services to Marshfield Clinic cancer patients in our communities, including those receiving chemotherapy or radiation treatment at the Minocqua Center or outreach cancer treatment in Rhinelander.

Marshfield Clinic's cancer care experts provide treatment options and care beyond the standard chemotherapy and radiation therapy. Gifts to the cancer care fund allow oncology staff to provide the little extras that show breast cancer patients and survivors that they are not fighting alone, such as wigs for women experiencing hair loss during chemotherapy, radiation relief cream, mastectomy bras and much more.

Marshfield Clinic also offers many leading edge therapies based on over 100 cancer research clinical trials.
