RE: Update of the Oneida County Snowmobile Trail System

#### **Snowmobile trails in Oneida County remain closed until further notice.**

Currently, the snowmobile clubs are working on making sure the trails are clear of downed trees and packing the trails to ensure they are ready and safe for public use.

Once Oneida County has confirmation that ALL ten clubs have completed their inspections, we will send out a press release announcing the opening date/time for the 2019/20 snowmobile season.
