

MINOCQUA FOREST RIDERS

Snowmobile Club Weekly Trail Report

January 16, 2020

Curt Christensen, President

Great News; All the lakes (Booth, Buckskin, Squaw, Squirrel & Sunday) in our trail system have been marked! Thanks Tom Teichmiller and crew for getting this done before the weekend.

Forest Rider Trails:

Excellent Condition: Corridor 10W, Corridor 12W, Trail 7 and Trail 5

Very Good Condition: Corridor 10E, Corridor 12E, Trail 9, Trail C and Trail P

Good Condition: Trail 5A, Trail 10A, Trail D, Trail G, Trail J and Trail R

Fair Condition: Trail BB (we're still not able to groom over one of the swamps)

Willow Region Trails (reported by Jim Bosben, President):

Excellent Condition: Corridor 12, Trail 8, Trail I and Trail 5 (south of TIN-524)

Trail Closings:

- Trail 5 from Willow Rd (TIN-525) to the Spillway (TIN-524)
- Trail A

Trail Grooming:

Corridor 10 and Trail 5 is groomed 5 times a week; Corridor 12 is groomed 4 times a week; All other club trails are groomed at least twice a week. To maintain quality trails, our grooming machines will be out during daytime hours.

Weekend Forecast:

The temperatures will be in the low to mid 20s on Friday and Saturday and then dropping to a high of 15 degrees on Sunday. **A Winter Weather Advisory** has been issued for the area from 6:00 PM Friday evening through 6:00 PM Saturday evening with snow accumulations totaling 4 to 8 inches. Expect variable winds of 9 to 13 mph during this time period.
