Members:

I'm pleased to announce that the Executive Committee met this past month to identify replacements for the vacant Treasurer and Board of Director positions. On May 16th, the committee unanimously took action to appoint Steve Anderson as Treasurer and Don Cupp as Director.

Here's a bit of information about the new members of our Leadership Team:

Steve Anderson: Steve currently lives on Squirrel Lake. He grew up in the Wausau area and graduated from the University of Wisconsin in 1971 with a BBA degree in Finance and Banking. He enjoyed a 40 year banking career, with the last 11 years serving as the CEO of River Valley Bank (now known as IncredibleBank) in Wausau. He's been retired for 8 years and he enjoys the solitude of fishing in the Northwoods. Other interests include sports, good music, some travel, old movies, theater and dining out.

Don Cupp: Don currently lives on Mercer Lake. He grew up on a farm near Verona, WI and graduated from the University of Wisconsin in 1980, majoring in Business and Economics. He received an MBA degree from UW-Eau Claire in 1985. He is proud of his 32 year career working in Finance and Paper Production Operations for the Kimberly Clark Cooperation. Don has been vacationing in the Northwoods since the 1970s and decided to make this his permanent home after retirement. He enjoys many outdoor activities including backpacking/hiking, bicycling, hunting, motorcycle touring and snowmobiling. Don's been a member of our club for over 5 years and is also a member of our Grooming Team. In addition, he volunteers his time maintaining our equipment during shed work nights and is also a member of the Minocqua Fire Department.

I would like to thank the other members of the Executive Committee (Steve Shanks, Susie Shanks and Tom Teichmiller) for their time spent seeking possible candidates for consideration and participating in email meetings to make these appointments.
