## Lake Trails

### Northern Lakes Region:

Squirrel Lake has been marked. Booth, Buckskin, Squaw and Sunday Lakes will be marked within the next 7 days.

### Willow and Pier Lakes:

These lakes have yet to be marked. This should happen in the near future.

## !! Reminder !!

It's dangerous to ride on the lakes before they've been marked. Our club members will evaluate the lakes and mark the lake trails where the ice is thick enough for you to ride safely.

**Do Not Cross Lakes Until They've Been Clearly Marked**
