# INVESTING IN TOMORROW

2024 Cruise for Cancer Sponsorship Opportunities

*5 Years Strong*

# Join us to enrich the lives of cancer patients at our 5th Annual *Northwoods Cruise for Cancer*.

On Saturday January 27, 2024 the Minocqua Forest Riders will host its 5th Annual *Northwoods Cruise for Cancer* Fundraising Snowmobile Ride. In just the first 4 years, and along with dedicated riders hitting the trail, we have raised over \$70,000. 100% of all the funds raised from this event go to support Marshfield Clinic Health System's **Northwoods Cancer Care Fund**.

MCCHS physicians and researchers rely on the generosity of individuals like you and the Minocqua Forest Riders to continue enriching lives throughout our service area. Because of you and your generosity, these patients have the assurance they will receive the best possible care and comfort that is close to home.

## IN 2023, MCCHS-MINOCQUA TREATED:

### THE NORTHWOODS CANCER CARE FUND:

The Northwoods Cancer Care Fund provides financial, emotional and educational support services to Marshfield Clinic cancer patients in our communities, including those receiving chemotherapy or radiation treatment at the Minocqua Center or outreach cancer treatment in Rhinelander.

Marshfield Clinic's cancer care experts provide treatment options and care beyond the standard chemotherapy and radiation therapy. Gifts to the cancer care fund allow oncology staff to provide the little extras that show breast cancer patients and survivors that they are not fighting alone, such as wigs for women experiencing hair loss during chemotherapy, radiation relief cream, mastectomy bras, comfort and message chairs, and iPads to use for long treatment days, and so much more

Marshfield Clinic also offers many leading edge therapies based on over 100 cancer research clinical trials.

*"Our mission from the beginning was to give back to the Marshfield Clinic Health System medical community that supports all Northwoods cancer patients. Giving back in life is important to us - making a difference is what it's all about and as a breast cancer survivor we are so grateful for our medical community. We are so proud to call the Northwoods community 'home'."*
